*The promotion is for new clients to ADT by TELUS. These specific promoted prices are for the Secure and Control Plus plan for individuals currently with TELUS and on the EPP cellular program. Pricing includes a \$10 p/mth TELUS/KOODO bundle discount. \$7 monthly promo discount (Control Plan only). \$5 monthly discount when locking these rates in for 5 yrs. \$5 additional monthly bonus. \$450 discount for professional install (Free install). \$100 one time credit and an additional \$5 off per month for qualified EPP clients. Prices can and sometimes do change by the day without notice. So contact us as soon as possible to get your orders locked in. All Provinces are included with the exception of QC, AB and BC. For those areas please contact us. Services are also subject to service availability in your area. ADT by TELUS takes a bit longer to process an order, so please try not to leave it until the last minute. We want to make sure it's not a rushed experience.

Thank you!
